

Capability Statement

MAS CONTRACT: 47QREA23D000P

CAGE: 7V4Z1

Established in 2014 and began working in the federal space in 2023, SeaHill Consulting Group (SCG) is a woman owned staffing firm providing Federal, State and Municipality agencies diverse professional talent needed to fill gaps and achieve goals. Our mission is to go beyond goals and exceed client expectations by providing fully vetted contracted and permanent staff.

DIFFERENTIATORS

At SCG, our foundation is built upon the five C's:

- Communication
- Customization
- Comprehensive
- Collaborative
- Cutting-Edge

Communication

At SCG, timely communication is the cornerstone of our approach to maintaining productive and collaborative partnerships. We are committed to responding to your inquiries within three business hours. Our prompt responsiveness fosters seamless collaboration, enables quick decision-making, and ultimately enhances the overall success of our partnership.

Customization

We are innovators, tailoring every aspect of our offerings to your needs. We provide a personalized solution to resonate with your staffing goals, fostering a harmonious and thriving work environment with our dedicated professionals aligned with your company's vision.

Comprehensive

Our comprehensive services go beyond filling positions. With meticulous analysis, we craft a hiring strategy aligned with your long-term goals, ensuring the right cultural fit and expertise for your team.

Collaboration

At SCG, collaboration is at our core. We build meaningful relationships with our clients, gaining an in-depth understanding of your unique staffing needs. Together, we define the ideal talent acquisition strategy, aligned with your company's values and goals.

Cutting-Edge

Setting new benchmarks for innovation and efficiency, SCG's cutting-edge staffing services leverage the latest advancements and technology, granting access to top-tier talent faster than ever before.
